**DO YOU HAVE A BROWN SCAPULAR?**

I will bless and give away Brown Scapulars of Our Lady of Mt. Carmel on her Feast Day, Thursday, July 16. Come to the Liturgy at 8:00 am or drive by. If you plan to drive by please call to be sure I am available for you.

At this time I want to encourage everyone to use a mask especially at church, gargle with Listerine daily, and wear a Scapular all the time.

This sacramental was given by our Blessed Mother to St. Simon Stock in 1251 with promises and privileges. All members of our Parish, beginning with the young who have received Holy Communion to all ages are urged to make use of this holy vestment during these times and at times of peace.

\*\*\*\*\*

**ABOUT THE USE OF MASKS**

For everyone's safety I want to encourage the use of masks at church. Current reports claim an increase of cases with the virus and so let's do what we can do to help with healing.

**ABOUT TESTING POSITIVE**

If you or someone you know has tested positive in our Parish please contact me with your information. All matters will be kept in strict confidence. The goal for me is to help control and end the virus problem. I know everyone shares the same desire.

**CAUTION - CAUTION - CAUTION.**

Do not make a mistake and spread false information. Rumors can be a bad enemy for everyone.

ALWAYS BE SURE OF YOUR STORY BEFORE YOU SPEAK. Thanks.

## A LOVING NOTE FROM YOUR SPIRITUAL FATHER

To all the beautiful children of Our Lady of the Cedars. I pray you are good, I pray this odd summer is kind of good for you no matter what. I hope you are healthy and doing your best to be active in all the good things.

To all our Parish Youth, you are on my mind in a very special way. I miss seeing you on Sunday. I miss visiting with you in your Religious Ed Classes. Good Youth of Our Lady of the Cedars you really are great company and you are very much missed by me. I'm waiting here for you as soon as you are able to come back.

To all our Young Adults my respectful greetings to you young men and women near and far. Summer is moving along and before long some will be going out of town for college classes and others will stay close to home. Of course you're really growing up and very close to being adults. I have a favor to ask you. I actually want to plead with you, do not outgrow church while away. When you get home, please come here. I will keep you in my daily prayers. If possible, please come by the church so I can give you my priestly blessing in person before you leave the area or begin the new semester nearby.

To all our Dads, Moms, Uncles, Aunts, Brothers and Sisters what a gift, what a blessing to have in our little parish of Our Lady of the Cedars Church. To have good men and women like you is a joy for me. Your presence in our parish actually makes our community a church family for everyone. As Spiritual Father of our Parish Family I always look forward to all our gatherings here in church and in our social hall and around the grounds at times like our festival. I cannot wait for this time of absence to come to an end. I know you feel the same. Be assured of my daily prayers and sacrifices for each one.

To all our senior members of all ages everywhere, what a blessing you are to me and to all your families and to all our parish family at Our Lady of the Cedars. May I say to you, no matter what your age may be, I appreciate your ever young heart, your young spirit, your humor and I appreciate your valuable experiences and your insights. I miss you so much because of the coronavirus problem. Let's keep praying together wherever you are for a healing.

To all our newest members and faithful visitors I thank you for attending Church here, for your social visits, your prayer and daily Liturgy attendance. I think I could say with much honesty, your presence here at Our Lady of the Cedars, how ever recent, it seems to me like you have been here for a long while. A warm welcome to everyone.

To all our Parish Family who have ventured out in this time, may I say thank you very much. Thanks for taking all the right precautions and moving forward in the safest way.

Lovingly and Prayerfully in Jesus and Mary,
